At Grayling Airport

Fly-In Plans Set

Plans for a gala Memorial Day weekend at the Grayling Airport are all in readiness, according to spokesmen for the local organizations who have combined their efforts in bringing a Dawn Patrol Fly-In to Grayling.

Nearly 600 invitational letters with other literature have been mailed to airports in Michigan, Indiana and Ohio, for pilots to take part in the Fly-In.

The two days of activities at the airport is open to all. A carnival with rides and concessions will be set up for the children to enjoy.

Archery Ranges will be available and will be handled by the local Boy Scouts under the leadership of Bill Brady and Robert Yoder.

Helicopter and airplane rides for young and old during the two days. Other events will include Canoe Trips down the AuSable and tours of Bear Museum and Bear Mountain. Transportation will be furnished.

Displays at the airport include: Antique and Handcrafted Airplanes and a Gyro Copter. Following the Dawn Patrol Fly-In Sunday morning, a breakfast will be served by the Grayling Womens Club and will be open to the general public as well as the pilots.

Sponsoring the two days of activities are: Grayling Air, Inc., Grayling Chamber of Commerce, the Womens Club, Kiwanis Club and Jaycees in cooperation with the Michigan National Guard.

Children wishing to enter the bicycle decoration contest are to meet at the Legion Hall and must stay in their position in the parade, both to and from the cemetery. There will be three prizes given to the best decorated bikes.

All participants are asked to be at the Legion by 9:30 and be ready to start at 10 a.m.

Any other groups wishing to participate, are asked to contact Parade Marshal, Thayer.

The District Manager expressed his own and the Census Bureau's thanks to the residents of the area, to officials, the newspapers, and the broadcasting stations for their cooperation in taking of Census '70 here.

The 1970 preliminary figure for Crawford County is 6357. The 1960 census showed 4971 residents in the county.

To Start at 10:00 a.m.

City Council OK'S Budget

The Grayling City Council approved a \$313,000 budget for fiscal year 1970-71 at their meeting Monday night.

The budget shows approximate 10% increase over last year, and is based on 194% mills.

City Manager, William Valusek said, the increase was due mostly to an approximate 8% increase in city employees wages, plus a new retirement plan.

Valusek also stated, if the State Tax Commission confirms the local state equalization, most city taxes will be reduced this year.

A major street program is now being formulated by the city through their consulting engineers. The program will be financed out of gas and weight taxes, and some special assessments, Valusek added.

TORNADO ALERT SYSTEM NOW IN OPERATION

Now that we are well into the tornado and severe thunderstorm season, Howard Taylor, Local Civil Defense Director, has announced that the following warning system will be used to alert local citizens of possible natural disaster. If at such time that a tornado has been sighted, or that it is quite evident that a tornado may form in our area, a blast of four minute duration will be sounded on the fire siren.

A four minute blast on the fire siren, both Grayling and Frederic, is to warn you that a possible tornado is approaching. You should seek shelter immediately and remain there until the all clear is given. The all clear signal will be a one minute blast on the fire siren.

NEW FIRE ENGINE—Grayling Township and City of Grayling recently purchased this \$25,500 pumper jointly. Bernard Fowler, left, Township Supervisor, Robert Golinick, Fire Chief, and Grayling Mayor, Derek McEvers, look over the new addition to the fire department.

The truck carries 750 gallons of water and has a foam attachment for fighting fuel and chemical fires. The apparatus was purchased from the Howe Fire Truck Co., of Anderson, Ind.

Speaking on behalf of Post 3736, Commander Knowles said that "anything we do in Cambodia that results in saving American lives should have the full backing of the American people."

There are amendments in Congress such as the Cooper-Church Amendment which would block funds to support American troops in Southeast Asia "amount to the abandonment of our forces—our sons and daughters, who are fighting a cruel and inhuman enemy who might otherwise be at our very doors. Congress put our men there in full support of the Gulf of Tonkin Resolution."

"In the past Congress has debated declarations of war," Commander Knowles said, "but this is the first time the Senate has debated a declaration of surrender."

He said the "destruction of tons and tons of equipment and other supplies stored by the Communists in Cambodia for use against our men in Vietnam proves that President Nixon made the right decision in ordering the Cambodian incursion."

INTERPRETING THE NEWS

By Elmer E. White
Drug Fight Starts

A newly launched fight against drug abuse in Michigan shifts into high gear. Dr. Thomas Stachnik takes over as director of the Governor's Office on Drug Abuse, an office created earlier this year by Gov. William G. Milliken. The office began an operation with just two persons earlier this year, former Grand Rapids newspaperman Alex Laggis and Betty Tableman, a veteran state employee. Laggis explained that the office, instead of becoming a separate operation, at first was considered as a possible addition to an existing department or agency. "But drug abuse is a little bit of everybody's problem," he said. "I suppose it could have gone to Public Health, Mental Health, Corrections or Law Enforcement. But it doesn't really fit in with just one department."

The main purpose of the office, Laggis explains, is to carry the fight against drug abuse by coordinating a massive statewide program aimed at educating Michigan citizens and encouraging and developing community programs. It already has produced and begun distributing a 30-minute film detailing what other communities are doing about drug abuse.

Laggis also had to sift through reams of booklets and pamphlets about drug abuse published by various sources. "A lot of this literature is pretty terrible," he said. "Kids who know anything at all about drugs will look at something like this and laugh. They know what it's all about."

The office also is setting up a speakers' bureau to recommend speakers "who know what they're talking about and how to say it." "An awful lot of the people who go to schools and communities to speak on drugs now are horribly uninformed," Laggis said. Laggis thinks community action programs will be the final solution to the whole drug problem.

Abortion Fight Vowed
Legislative supporters of abortion reform legislation, rebuffed by the state Senate in the efforts, have vowed to take their fight to the people in this year's elections.

"Gentlemen, if you think this issue has been laid to rest, you are in for a rude and frightening awakening," vowed Sen. N. Lorraine Beebe, R-Deerborn, a leading proponent of liberalized abortion laws. Mrs. Beebe, the Senate's only woman member, told her fellow lawmakers "people, especially women, do not forget."

"This is going to be a major issue in the primary and general elections, and women have

declared war," she said angrily. Sen. Gilbert Bursley, R-Ann Arbor, who was sponsor of the bill which was defeated in the Senate, says reform advocates are "spreading the word" on which seats to go after.

"It's reasonable to assume at least half a dozen new faces in the next year, and we want to make sure they are on our side," he said. "Those wanting abortion changes will make their voices heard between now and the election. There will be strong campaigns, going on to unseat opponents."

Defeat of the bill was especially bitter for both Mrs. Beebe and Bursley, since they had devoted much of the past year to coming up with a bill they thought would be acceptable.

The reform bill was beaten by "the controlling interests of the Roman Catholic Church," says Mrs. Beebe.

"All other major religious denominations came out in support of abortion reform," she said. "But these people have been denied the right to their beliefs by the minority." Mrs. Beebe warned her fellow lawmakers earlier in the session that "hell hath no fury like a woman scorned."

She appears to be proving that.

IN MEMORIAM

In loving memory of our beloved Mother who passed away May 28, 1963.

Though seven years have come and gone, In a corner of our heart A loving memory lingers on That never will depart. The memory of a beloved face, A mother's tender love, A love that only she could give, Sent down from God above. The kindness of her gentle eyes Of arms that held us close The lingering kiss upon the cheek.

Dear God, we miss the most. But we will be with her again This we truly know, For we believe in Jesus And the Bible tells us so. The family of Grace Blakmer

JIM WAS GRADUATED TODAY

Mary and I sat on the bleachers overlooking the high school athletic field and watched him march in with his class. A bird glided overhead, and, from far off, a dog's bark and children's voices mingled on the evening air. Behind circling hills, blue mountains made a stately backdrop. Jim avoided our glance, the habitual grin he's worn since babyhood stilled for a moment in a gaze of earnest solemnity. His first big milestone had come, and I smiled to myself remembering his eagerness to embark upon the "world of tomorrow."

I have no fears for his future... for Jim is a Christian. What a wonderful assurance it is to his mother and me to know that wherever he goes, whatever happens in that wonderful "world" ahead, the values and principles he has been sustain him.

How grateful we are to our church for the guidance and encouragement it has given of our son!

Grayling, Michigan — Thursday, May 28, 1970

Once again, on Memorial Day, we pause to recall, with respect and much pride, the selfless sacrifices of our brave and valiant departed heroes. Gallantly, they marched forth, united as one in defense of freedom. And with unflinching courage and unyielding devotion to cause, they gave their lives so that our precious heritage of liberty might endure. Let their deeds be forgotten or ignored, and their sacrifices be in vain, let us all now resolve to be equally steadfast and courageous in preserving that which has been so heroically achieved. Let us dedicate ourselves to ever cherish and uphold that priceless freedom, which is the legacy of those whose memory we honor this day.

TEMPE, ARIZ. NEWS: "They are bright enough to know that serving in the Army is a drag. But they are not bright enough to know that if their fathers had been as bright as they are, they themselves would have baked in ovens." So spoke Al Capp, cartoonist of "Li'l Abner," as he explained that he was sick of hearing that rampaging students are the brightest ones on the campus."

MONROE, N.Y., PHOTO NEWS: "If the students who protest capitalism in this country could be traded for the students in the Iron Curtain countries protesting Communism, maybe all sides could be satisfied."

If you are, you're paying too much.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential nonheating customer, read on. You qualify for our special service rate which gets you Gas for heating at a price equal to fuel oil costing 11¢ a gallon. Whether you convert your present furnace, or even install a new Gas furnace, we will pay for it and its installation by a participating Gas heating

We'll buy the oil that's in your tank at the price you paid for it. We'll remove the tank from your home at no cost to you, and we'll even haul it away if you want.

Conservation Department fish hatchery men, now planting fish that were fin-clipped months ago, have noted a few trout that had grown a replacement for the fin shorn off. The unusual regenerated fins are stubby and odd-shaped and readily distinguished on close inspection.

Over twenty former members and interested persons attended a meeting at the Masonic Hall last Thursday evening to discuss and make plans to re-establish the Grayling Golf Club.

A large number of planes came in at the local airport during the past week, headed by Michigan's Number one pilot, Sunday, when Governor Sigler set his Airplane down on the runways. He told Herbert McDonnell, that he fully intended to come back when he could have more time to look over the installations at the Grayling Airport. He was accompanied by Speaker of the House of Representatives, Victor A. Knox, of Sault Ste. Marie.

A stork shower was given for Mrs. Morden Post at the Frederic Town Hall last Monday evening, with Miss Caroline Post serving as hostess. The tables were prettily decorated for the occasion with pink and blue streamers, with a large baby doll as the centerpiece for the table bearing gifts. Games were played by the forty-five guests and prizes were awarded to Helma Phipps, Ernestine Stephan, Norma Madill and Elida Bears. Dr. L. Swaab and Jack Snelling, of Port Huron, Jack Burgess of Pigeon, and W. J. Carter of Crosswell spent from Wednesday until Sunday in Grayling for the fishing. Mr. Carter called on his niece, Mrs. Robert Strong, while here, and presented her with a wooden nickel. These 'nickels' are legal tender in Crosswell, exchangeable in trade in any business establishment or redeemable at the Crosswell Bank until noon, July 3rd. Crosswell, like Traverse City is celebrating 100 years of progress July 4, 5, and 6.

Mr. and Mrs. James Bugby are happy over the arrival of a daughter at their home this morning.

Dr. and Mrs. Oscar Palmer left Wednesday afternoon on the first part of their journey to Pasadena, Calif., where they intend to reside. They were accompanied as far as Grand Rapids by Mrs. Oscar Schumann, where they were to remain overnight and then go on to Coldwater. The fore part of next week they will start on their western journey, accompanied by Mrs. Louise Niles, a distant relative, of Coldwater. It is with a great deal of regret that Grayling has to lose these long honored citizens. Forty-three years of the highest type of citizenship in this community has endeared them to everyone who knows them. Their leaving is a decided loss to Grayling. We trust their future pathways in this world will be strewn with roses and happy contentment.

Mrs. Liland Smock entertained a number of little folks yesterday afternoon in honor of the birthday anniversary of her son Howard. The little guests had a merry time from 1:30 o'clock until 4:00 during which time they played games and enjoyed a delicious lunch served by Mrs. Smock.

WASHINGTON AND SMALL BUSINESS

AS HEARD

More Davids Needed

Ever since a certain day long ago on a field near Judea when a certain David clobbered a big ugly giant, there has been a saying that a good small man can take the big guys.

It is perhaps somewhat grotesque that this maxim is being proved out in the groves of Academe, yet it is a matter of record that the best records in subduing giant hoodlums in the colleges have been turned in by men of less than average physical stature, but of their great spiritual size.

At San Francisco State, one average size president after another was knocked out of the box by the hoodlums. It took a stout hearted Japanese-American who would have trouble attaining the height of five foot six, standing on a dictionary, to bring order to a riot torn campus, and renew the legitimate process of education.

Down from San Francisco a ways there was a brief abortive attempt by hoodlums to destroy and maim the College of San Mateo. Here the violence ended with one brief flurry one afternoon, and that was the end of that.

Here on this campus a college president who stands not too much more than five foot six declared an end to the nonsense, and there was the end.

At the University of Washington a middle aged, pint sized professor had the experience of some twenty hoodlums barge into his classroom with

the sole intent of breaking up the session.

He immediately removed his glasses and his coat and announced to his class that he was going to throw the bums out, and who in the class would like to help him.

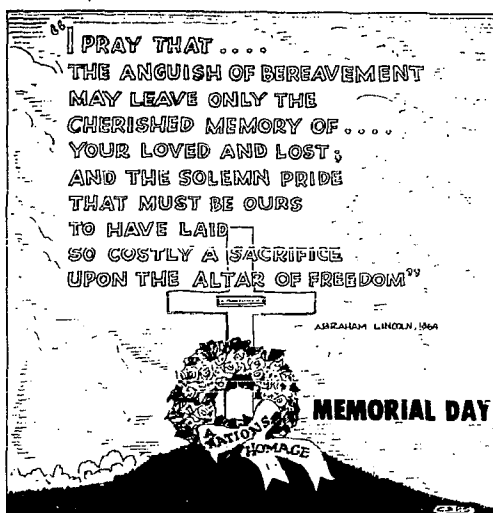

His students rose to their feet to join in the fray, but the bums wanted none of that. They fled.

From all that can be ascertained, none of these three little men hold reactionary views. But their dedication to the cause of education is immense. And they know that the process of education does not survive in an atmosphere of riot.

It is also significant that in each case, a public tax-supported institution was involved. They probably also knew that once the taxpayer's faith in education is destroyed, education will be destroyed.

This attitude can be contrasted with those teachers who have agitated, or at least participated, in campus demonstrations. These people, if indeed they are people, obviously have no regard for education, and are violating the trust of the taxpayers.

It is time that the taxpayers insist on the removal of teachers who seek to destroy education. After all, if they are to be accepted, then perhaps the insurance companies should be forced to pay off to people who burn down their houses.

New Exemption Claim Forms Now Available

Detroit, Michigan — Students working for the summer, and retired persons and other part-time workers may be entitled to exemption from income tax withholding under the Tax Reform Act of 1969. Forms for claiming this exemption were made available May 11, 1970 from Internal Revenue Service offices.

Any employee who had no income tax liability last year and anticipates none for this year should use Withholding Exemption Certificate, Form W-4E to claim the exemption, the IRS said.

For 1970, a single person who makes less than \$1,725 owes no tax. This is based on the \$1,100 low income allowance and a personal exemption of \$625. A taxpayer over 65 can earn wages up to \$2,350 without incurring a tax liability, IRS explained. This law went into effect May 1, 1970.

Anyone who qualifies can fill out the form and give it to his employer to claim exemption from income tax withholding on his wages.

Employers needing quantities of the new Form W-4E may obtain them from their IRS District Office.

Schedule A (Form W-4), revised to reflect the liberalized rules that were also provided in The Reform Act of 1969 for claiming additional withholding exemptions based on large itemized deductions, were also made available May 11 from IRS offices.

Final regulations on the two provisions of the 1969 Act have not yet been issued. IRS said both forms may require revision when regulations are issued.

Letters To The Editor

May 19, 1970

To the People of
Crawford County

Due to other commitments, I am resigning as Chapter chairman and treasurer of Crawford County Chapter American Red Cross effective July 1, 1970.

There must be someone in the County who can give these positions some time and effort.

I might remind you, failing to remain organized as a chapter, with proper leadership, A L L funds and properties will revert to National, also two very important community services will be most handicapped — if not discontinued completely!

You have a very capable Blood Program Chairman in Mrs. Alvin Moore, an excellent and capable worker in Mrs. Frank Muth as Chairman of the Service to Military Families committee.

Mrs. M. M. Cruickshank, Chapter Secretary, has done an outstanding job on both the Fall and Spring Funds and Membership campaigns.

There are many others who have responded to various calls for help, I cannot begin to mention those loyal people without leaving someone unnamed — so I will just say "Thanks" to one and all and ask that you continue to support the local chapter ARC — the needs are still there!

Sincerely,

Mrs. Howard Morse

College Day For Women

About 90 women from Crawford and Roscommon counties met at the Higgins Lake Conservation School.

Nels Johnson, Game biologist was the first speaker, speaking on the environmental crisis. Our main concern consists of population pollution and resources.

Merrily Baldwin, Home Economist had a film on social problems. After the film the women gathered into groups of four to discuss points from the film.

Luncheon consisted of Michigan products. A Bear Archery key chain was at each plate.

At the afternoon meeting extension groups reported what they were doing for Michigan Week.

Three women were honored for 43 years in Extension work. Ruth Norenberg presented 25th June.

Cole with a pin. Mrs. Cole has been a member at Wolverine, Mio, Saginaw, and a charter member of the Lovells group.

Mildred Johnson presented her mother, Olive Lewis with a pin. Mrs. Lewis was a member of the Homemakers group, Sanilac county. She moved to Grayling last fall, joining the Lovells group.

Helen Seaberg presented a plaque to Helen Wetters, Roscommon.

Creative Home Decorating by Merrily Baldwin was the remainder of the program. Articles from handwork crafts and toys were displayed and discussed.

Mrs. Annette Hickie, area 16 chairman will be the delegate to Homemakers Conference at Michigan State University in June.

Pack 93 News

Hey! We missed you last Thursday. We had a pack meeting, you know! Made a lot of plans for the summer.

How does a potluck picnic sound? Sunday, June 7th is the big day. Where? How about the parade field at Camp Grayling. Time? One o'clock in the afternoon. There will be contests for the cubs and games for the little kids. We need a few card tables for the food plus a card table for yourself, if you don't want to sit on the ground to eat. We are hoping for 50% participation. We need this to qualify for the summertime activity award. So, be the good Lord willing and the rain don't come, see you on the 7th for a day of fun! Remember the fun we had at the Blue and Gold Banquet.

In case of rain, the potluck picnic will be held the following Sunday, June 14th, at the football field in Grayling.

We have a tank shop tour planned in July for fathers and sons and a canoe trip and hot dog roast in August for parents and cubs. Watch your paper for dates and times.

Pack night was award night too! Kurt Larson and David Johnston received their Den Chief cards. Wolf awards went to Joe Wieland, Tim Bitner, David Minor, and Mark Whaley. Bear badges went to Roy Morrison and Sidney Canfield. Wolf badges and gold and silver arrows were awarded to Scott Norman and Donald Malby. Athlete awards went to Eric Boyce, David Failing, John Herrick, Gary Hoag, and Tom Whaley. Other awards were as follows: Lincoln Swift, artist; Chris Austin, athlete; Ross Helmick, artist; athlete and traveler; Randy Caulkins, athlete and engineer; Scott Pick, athlete, aquanaut and naturalist; and Richard Norman, athlete, craftsman and sportsman.

We have thirteen cubs who have earned awards but due to the lack of attendance at the pack meeting of these cubs or their parents, these awards could not be presented. So, for those who have not yet received their awards, they will be presented at the Family picnic.

Don't forget the Memorial Day parade. Be at the Legion Hall at 9:30 a.m.

"If It Fitz . . ."

I'd Rather
Stay Home

By Jim Fitzgerald

Miss America visited my hometown and I declined an invitation to meet her.

"There's something wrong with you, Dad," my son said. He said it when he learned I'd ignored an invitation to meet the Detroit Tigers at a luncheon.

One thing for sure, I am not my father's son. My late father was a near-professional when it came to after-dinner speaking. He was funny and warm and articulate—and much in demand. He always said "I don't know what I'll say" but he accepted every invitation and said plenty.

People are always asking me to make a speech. This is not because they think I can talk. It's because they have read this column which now appears in about 40 newspapers. (Just 1,046 behind Ann Landers.) And they figure anyone who can write so much nonsense should be able to talk enough to keep people awake for 20 minutes if they didn't eat too much Swiss steak. And besides, they'd like to get within throwing distance of me.

Egad, some program chairmen, in fits of desperation, have even offered to pay me a fee, plus travel expenses, if only I'll come talk about something—anything. This is conclusive proof that there are more dinners than after-dinner speakers. Which is similar to having more dentists than toothaches.

I reject all these speaking engagements, usually telling some lame lie about being busy that night. The only time I'm trapped is by teachers who ask me to speak to their classes anytime between today and end of the world.

Somehow it seems unmanly to simply say "No, I'm a lousy speaker so I don't make speeches." This is true but it's not a good excuse. The world is full of lousy speakers and they are forever making speeches. Why should I be an exception?

And it seems ungracious to refuse by baldly stating, "I hate after-dinner speakers so I refuse to be one." This is also true but the guy inviting me may have spoken at Rotary the day before. My writing offends enough people. Why make more enemies with my mouth, even while explaining why I keep it closed?

Besides, the total truth about my refusals is something else again. Obviously, I could have met Miss America or the Detroit Tigers without making a speech. In fact, there was a total lack of demand for my voice on those occasions. But still I stayed home.

To each his own. Many people are adept at the chit-chat which abounds at social gatherings of more than 20 people, many of them strangers to each other. They enjoy it. Not me. I keep looking for the bar. Some place where a guy can squirrel in with a friend and converse without the hostess interrupting to see if you're having a good time, or the toastmaster clinking his glass so you'll shut up and listen to the introduction of some clown who needs no introduction.

Maybe, like my son says, there's something wrong with me. But any man who cringes at the sound of "It is a pleasure and a privilege to introduce . . ." can't be all bad, can he?

Kiwanis In Action

Mr. and Mrs. Lorne Douglas attended a meeting of the Trustees of the Kiwanis Forney Clement Foundation on May 17th in Grand Rapids. Mr. Douglas being a trustee for the 18th Division of Michigan Kiwanis consisting of the Kiwanis Clubs at Clare, Grayling, Harrison, Houghton Lake, Oscoda, Standish, Tawas and West Branch.

The Kiwanians of Michigan furnish teaching and recreational care at two hospitals which house crippled and diseased children; the C. S. Mott Children's Hospital, in connection with the University of Michigan Hospital at Ann Arbor and the Mary Free Bed Hospital and Rehabilitation complex at Grand Rapids. These hospitals serve some 4000 to 5000 children each year.

Kiwanians of Michigan pay the salaries of these teachers and nurses. The teachers must have the same educational requirements as public school teachers and the nurses in charge are registered nurses.

The programs of the C. S. Mott Hospital and the Mary Free Bed Hospital are growing in national attention comparable to the Shriner's Crippled Children's Hospitals and the support given by Lions Clubs to Institutions for the Blind.

It is a deep satisfaction to Kiwanians to see the happiness and help given to these children by Kiwanis dollars. This state-wide project is in addition to the many local youth and citizenship projects constantly being carried on by all Kiwanis Clubs.

THE MEMORIAL PROGRAM

A memorial gift to the American Cancer Society is a thoughtful gift — a living memorial. This gift is to someone loved means others are helped. Many individuals, organizations, firms and other groups practice memorial giving regularly. These gifts support an increasingly large proportion of the American Cancer Society's program of Research, Education and Service.

Every gift provides material aid to the Cancer Research Program in laboratories and hospitals across the nation; helps educate the public to the importance of detecting cancer in time; and supports service programs for those stricken with the disease.

Every contribution is acknowledged with an official receipt to the donor and is deductible for tax purposes.

A memorial card is sent to the family of the deceased, with the name of the person honored, and the name or names of the donor. The amount of the gift is not indicated.

Special Patrol Attention by State Police Memorial Day Weekend

Michigan State Police will operate special traffic patrols beginning, May 29, for the three-day Memorial Day weekend, Col. Frederick E. Davids, department director, reported.

Davids noted that traffic accidents in the five major holiday periods in 1969 claimed 135 lives, the worst of the tolls occurring during the Memorial Day weekend when 34 were killed.

He added that the department's traffic division experience shows that deaths during holiday weekends average about 25 per cent more than on comparable non-holiday periods. The rate of fatalities per mile traveled is 16 per cent higher.

"Sensible driving practices can contribute to safer holiday motoring," he emphasized, urging motorists to obey speed limits, to give ample notice of maneuvers, to follow at proper distances, to pass only when safe to do so, and to refrain from driving after drinking.

The department's three single-wing planes and its helicopter, weather permitting, will complement daytime patrolling. No pass days will be scheduled for uniform personnel at the department's 59 posts. District traffic officers and detectives will be used as backup personnel as needed. Check lane activity will be suspended for the period and officer inspectors will augment patrols which will continue through to midnight Sunday, May 31.

Maximum patrol coverage will be provided from 3 p.m. until at least 9 p.m. each day of the holiday period with special attention devoted to highway sections having had accident experience.

WOMAN'S CLUB

The Grayling's Woman's Club held their last meeting of the year on Monday, May 29. This was a potluck dinner with Mrs. Glen Nolan and Mrs. Thomas Robertson acting as hostesses.

The new officers for the club were introduced by the president, Mrs. James Forbes. Mrs. Charles McNally will be 1st vice-president, Mrs. Wilfred Ziegler, 2nd vice-president, Mrs. Earl Burns, treasurer and Mrs. Helen Marlowe, secretary.

Rev. Paul Frederick was the speaker for the evening. He told of his work in National Park Service at Mt. Ranier four years ago. While there he conducted worship services for visitors in the park. He also showed a complete set of slides. It was a very interesting evening.

On Sunday, May 31st, the Woman's Club along with the Kiwanis Club will serve a pancake and sausage breakfast for the dawn patrol that is expected on that day at the Grayling Airport. Serving will be from 6:30 until 10:30 and the public is invited for breakfast. All the pancakes you can eat for \$1.50. Come up and look over the plans.

Watch for the date of the Tracy Hamilton Dress Tea that will be held at the Woman's Club building in the near future.

The next meeting of the club will be June 1st.

TOURIST INDUSTRY LEADERS DEVELOP GOALS FOR '70's

LANSING — Representatives of Michigan's tourist industry, meeting at the Governor's 1970 Conference on Tourism here, Thursday, May 14, have adopted a five-point program designed to help the industry meet the challenges of the '70s.

Goals of the program, developed by the Conference, include:

- The establishment by the Legislature of a Michigan Tourist Council budget guideline geared to 50 percent of the annual use tax collections.

- Endorsement of the accelerated freeway program proposed by the Michigan Department of State Highways.

- Allocation by the Legislature of \$39,000 to create a research and development section within the Council, as proposed in the Governor's 1970-71 budget recommendations.

- Establishment of a uniform health inspection system for places of public accommodations under a single, existing health inspection agency.

- Concurrence in the Governor's position for needs to stem civil disruption and public disorder.

More than 300 tourist leaders, motel, hotel, restaurant executives, city, county and state government officials as well as travel and transportation representatives from throughout the state participated in the one-day conference, according to Wesley B. Tebeau, Council member and program coordinator.

Prior to the development portion of the Conference, delegates heard a welcoming address by Governor William Milliken and an outline of Michigan Tourist Council advertising strategy by William T. McGraw, council director.

Other participants included Senator Gordon Rockwell, chairman, Senate Committee on Conservation and Tourism and Representative Leonard Walton, chairman, House Tourist Relations Committee, who each reviewed their respective legislative programs.

An Ode To Memorial Day

By Oscar Parsons

When Hitler came to power He thought everything was fine; Until a man named Eisenhower Changed his mind. Now Hitler said those countries, And some across the sea, When this here war is over They will belong to me. But Eisenhower smiled, When he thought of his gallant men, Those boys are out to win this war And fight it to the end. And they are the kind That never will turn back Until they have crushed his war machine And turned him and his power into scrap.

But there was Mussolini A fighting ace was he; "My ships will sail the ocean And also rule the sea." "And my planes will protect me from the sky." But the Romans found he was all wet; They just hung him up somewhere Where he could dry. But then who was this Charles DeGaulle And all the things he knew. Did anyone see him pack a gun In World War I and II? But then the war was over And the fighting was all through; He said, "Yankee, go home and stay, I can paddle my own canoe." But old man Khrushchev takes the cake And with a sob story too. "If I had a boat load of your wheat It would help to pull me through."

"Oh, yes, you can have our wheat A ship load or two;" But he didn't say what it was for Smorgasbord or brew. We could have used some of this wheat For hungry people here And some to feed our wildlife And our starving deer.

Announce Engagement

Gayle is attending Central Michigan University in Mt. Pleasant and Dave is presently employed at Camp Grayling. Wedding plans are indefinite.

Senior Citizen Day A Success

May 21st the Senior Citizens of Crawford County enjoyed a delicious potluck supper at 6:00 p.m. at the American Legion Hall in Grayling. Rev. Paul Aumiller gave the invocation. The Senior Citizens were given a warm welcome by Mayor Derek McEvers, followed by a response by John Alef, President of Crawford County Council on Aging, who spoke on the county's Senior Citizen program. Leon Rochette, President of the Grayling Housing Commission, made a few remarks on the Housing's contribution to the Senior Citizen program.

With June Feldhauser at the piano and Rev. Aumiller as song leader, many familiar old-time songs were sung by the group from prepared song sheets. Edward Feldhauser, who is 89, was named King and Jessie Schmidt was named Queen. Each was crowned by the Mayor.

The couple married to each other the longest was the Frank LaMotte, with 63 years of marriage. The one having lived in Crawford County the longest was Mrs. Kneff. She was born here and has lived in Crawford County her entire life.

Mrs. Sadie Brady was the grandparent of a celebrity. She is the grandmother of Miss America, Mrs. Brady and Mrs. Helen Harwood tied with having raised the largest family. Each had had 12 children and were presented prizes.

Mrs. Johanna Gorman was selected as Crawford County's Outstanding Senior Citizen to compete in N. E. District competition on June 3rd here at Grayling. This selection was made by the Council on Aging at a noon luncheon.

The nominees were all very wonderful Senior Citizens and by coincidence, three of those named were from the Council on Aging, so voting was done by secret ballot, with Mrs. Gorman receiving the most votes. The winners for each entry were all given a corsage made with five \$1.00 bills and a banner for their particular honor.

Mrs. Emma Lovely was named "World's Greatest Grandma." She has 116 descendants. The judging for this fun prize was done by our "Baby Judge," portrayed by Dick Lovely.

Following the program, round and square dance music was provided by Bob Meaker and June Feldhauser. Callers were John LaMotte and Howard Morse.

Olive Lovely also had a birthday and a song was sung for her. Carol Wert took pictures of the winners.

The following merchants donated prizes: Black & White Grocery; Al & Jessie's Restaurant; Grayling Restaurant; Chief Shoppenagon Hotel; Burt's Barber Shop; Pete's Beauty Shop; Grayling Bank; Grayling Mercantile; Rochette Party Store; Hoerls Decorating; Sorenson's Sporting Goods; Dad Hanson's; Ben Franklin; Burns Hardware; Francois Gifts; Olson's; Davis Jewelry; Baringers; Mac's Drug Store; Grayling Radio & T.V.; Miller's Hardware, and Grayling Pharmacy, for which we thank them heartily.

The balance of the merchants will be contacted for the 14 County Senior Citizen Get-Together here on June 3rd. All the merchants contacted were most gracious and we appreciate their cooperation.

Also thanks to the Legion for the use of their hall and Auxiliary girls who set up the tables and potluck. Apple blossoms were used as table decorations and as favors for candy, as this is our State flower and this was Michigan week. The favors were made by the Senior Citizens, Emma Knibbs, Gertrude Tomlinson and Mary Atkins served as hostesses. A beautiful decorated cake was made and donated by Mrs. Charles Ryan.
